Welcome back to our 9th Studio Tour!

If it's the last weekend of February, it must be time for the annual SOKO Studio Tour! Mark your calendars for February 24 & 25, 2024.

(It's actually our 10th year but during the pandemic we held an online auction. This is our 9th Studio Tour.)

Most tour locations are right on the Mamalahoa Highway (Route 11) in South Kona, between

Holualoa and Honaunau. Just follow the bright yellow signs, the map on the left, or use Google Maps on your phone.

Come see 21 artists in 14 stops

This tour again features our 21 South Kona artists, who constantly inspire one another through the many ways that we create. Our biggest inspiration is the incredible natural beauty of Hawaii Island. Working together generates new opportunities to share our visions with you.

Visit year-round by appointment

If you miss a stop or want a deeper look at an artist's work, all SOKO artists are available by appointment. Just call or email using their contact info on the inside of this brochure.

Stay in touch

The easiest way to keep up with SOKO art and events is to subscribe to our newsletter or to email us via our website. To see more fresh art, follow us

on Facebook and Instagram. And you can always visit SOKO's website for individual artist websites.

All of SOKO extends our gratitude to **Kona Coast City Lifestyle Magazine**, our sponsor for this year. Mahalo nui loa!
